IN HOME SAFETY MONITORS

Orion Family Services has positions open for in-home safety monitors to work in Rock, Jefferson and Green Counties. These 2 year grant funded positions will require flexible work hours and experience working with children and families. A bachelor’s degree in a human service field or equivalent work experience, cultural competency and a clean driving record are required. Spanish speaking applicants preferred for some positions. Full and part time positions are available. For more information and to obtain an application contact Cathy Couture by February 15 at:
