JOB INFORMATION

JOB SUMMARY
The Crisis Stabilization Specialist will assist the Clinical Team Leader and Crisis Unit Manager in coordinating a system of “Optional Stabilization Services” in accordance with HFS 34.22 (4), Emergency Mental Health Service Programs. The position will be part of the Crisis Stabilization program of the Emergency Services Unit (ESU) of Journey Mental Health Center. The system, as currently developed, includes certain ESU services such as Crisis Homes, Recovery House and Outreach Worker (ORW) assistance, as well as an array of wrap-around services provided by other agencies in the County for the purpose of helping individuals to avoid a psychiatric hospitalization, to reduce the length of a hospital stay, or to help with transition to a less restrictive setting. These services are recovery-focused and will respect and utilize clients’ strengths and social/cultural resources.

The person in this position will assist with the day-to-day management of all activities related to the Crisis Stabilization Program. Primary duties include assessing and coordinating the placements of clients in diversion programs, assessment and coordination of ORW support services, and transitional case management of persons stabilizing from a crisis. The position involves mobility throughout the community and may require working irregular hours in keeping with the needs of the program. She/he is responsible to the Clinical Team Leader and Crisis Stabilization Manager.

QUALIFICATIONS

ESSENTIAL:
- Bachelor’s degree and two years relevant clinical experience with solid clinical skills, or five years relevant clinical experience.
- Good working knowledge of the Crisis Unit’s hospital gate-keeping functions and other services that can help to avert hospitalizations.
- Demonstrated ability to work alone, to make independent, sometimes-unpopular decisions, even in high-risk situations.
- Demonstrated ability to function collaboratively as part of a team, seeking and accepting consultation when appropriate.
- Strong organizational and communication skills
- Strong commitment to work toward improving cultural competence, as demonstrated by valuing difference/diversity, recognizing limitations in personal competencies and expertise, and having concrete ideas about how to improve cultural awareness, knowledge and skills.
- Strong commitment to respecting consumers and improving meaningful involvement of consumers in unit service delivery
- Valid drivers’ license and favorable driving record
- Ability/willingness to work irregular hours if needed

**PREFERRED:**
- Spanish language fluency
- AODA experience
- Demonstrated expertise in providing cross-cultural MH services
- Clinical experience in crisis intervention/emergency mental health service

**RESPONSIBILITIES:**

**I. CLINICAL RESPONSIBILITIES (High Level Of Responsibility, 60% Of Effort).**
- Receive and respond to inquiries, requests, and referrals for crisis stabilization interventions.
- Screen consumers for CH/RH placement and consult with other ESU staff as they access and utilize the program.
- Screen consumers for placement at Care Centers and consult with Care Center Manager/Team Leader regarding the placement.
- Assess consumers for appropriateness of Outreach Worker services.
- Provide limited case management to individuals stabilizing from a crisis as they transition to long-term treatment.

**II. ADMINISTRATIVE (High Level Of Responsibility, 30% Of Effort)**
- Using the JMHC clinical database, register and record all client contacts.
- Complete crisis stabilization response plans and other documentation related to clinical care.
- Assist in the training of new Crisis Stabilization staff.
- Assist with recruitment of Crisis Home providers as needed.
- Attend staff meetings.
- Attend all mandatory JMHC in-service training events.
- Participate in JMHC work committees as requested.
- Interpret relevant Wisconsin administrative codes and statutes and use in daily work.

**III. GENERAL UNIT AND AGENCY RESPONSIBILITIES (Medium Responsibility, 10% Of Effort)**
- Work actively and positively to maintain good working relationships between Emergency Services Unit and other segments of the community, informing Crisis and Bayside Managers of problems as they arise.
- Work to improve own cultural competence: participate in the development and
implementation of unit strategies to continue to improve the cultural competence of the unit’s services.
• Work to improve meaningful consumer involvement in the unit’s services.

The above statements are intended to describe the general nature and level of work being performed by this employee. They are not to be construed as an exhaustive list.
