| ABOUT THE POSITION |

We have an opening for a Crisis Stabilization Specialist in our Crisis Stabilization program. Primary duties include assessing and coordinating the placements of consumers in diversion programs, assessment and coordination of Outreach Worker support services, and transitional case management of persons stabilizing from a crisis. The position involves mobility throughout the community and may require working irregular hours in keeping with the needs of the program.

| BENEFITS THAT COME WITH WORKING AT JOURNEY! |

Journey is on the cutting edge of providing services to those in our community who suffer from substance use, mental health and related medical illnesses. We are a training ground for local colleges and others in the behavioral healthcare field in Dane County. Our staff include clinical interns as well as seasoned employees who have decades of longevity!

If you are interested in making a difference in your community, we would appreciate the opportunity to review your resume! Please submit your resume to hr.employment@journeymhc.org.

Following Is The Job Description.

**SUMMARY:**
The Clinical Specialist I (CSI) position is responsible for providing a wide array of culturally competent, recovery oriented, trauma sensitive, direct clinical services provided in conjunction with other substance abuse treatment staff. Services provided by this position may include assessment, treatment planning, referrals and case management. The CSI will assist with the day-to-day functioning of all activities related to the Crisis Stabilization Program. Primary duties include assessing and coordinating the placements of consumers in diversion programs, assessment and coordination of Outreach Worker support services, and transitional case management of persons stabilizing from a crisis. The position involves mobility throughout the community and may require working irregular hours in keeping with the needs of the program. The Crisis Stabilization Specialist
will provide crisis stabilization support throughout Journey Mental Health Center. The CSI reports directly to the assigned supervisor with overall program supervision provided by . The position requires a minimum of 1125 service hours annually.

**QUALIFICATIONS**

**ESSENTIAL**

**Education/Licensure**

Bachelors degree in a related behavioral health field

**Experience**

- 1 years of experience in related behavioral health field.
- Commitment to work toward improving cultural competence as demonstrated by: valuing diversity, recognizing personal limitations in one’s competencies and having the desire to improve.
- Strong commitment to principles of recovery and to facilitating consumer participation in treatment/service planning and provision.
- Knowledge of evidence based practices for treatment of mental health and co-occurring disorders.
- Experience in community-based mental health and substance abuse assessment, case management, treatment planning and crisis resolution.
- Ability to communicate effectively (both orally and in writing).
- Ability to work effectively with an interdisciplinary team with a positive and creative attitude.
- Ability to work independently and remain organized and efficient.
- Superior ethics and interpersonal boundaries as evidenced by past experience in community based work with related professional references.
- Valid driver’s license and good driving record; access to car and willingness to use it for work (i.e. transporting consumers).

**Typical Physical Demands**

Requires driving, sitting, standing, light lifting, bending, and reaching; and the ability to use and operate standard office equipment, including computer, calculator, phone, printer, cell phone, facsimile, etc.

**Working Conditions**

May require evening or weekend hours depending on program and consumer’s needs.

**PREFERRED**

- Bi-lingual, and/or bi-cultural (Spanish/Hmong/Cambodian).

- Experience with use of evidence based practices in mental health, and substance abuse.

**RESPONSIBILITIES:**

A. Provision of Clinical Services (high responsibility, 90% effort)

1. Performs accurate assessments to initially evaluate mental health, as well as alcohol and other drug use issues in a culturally competent, recovery oriented, trauma sensitive manner.
2. Provides a range of clinical services in conjunction with program staff including outreach, assessment, treatment planning, referral, and case management in a context that is supportive of the consumer’s culture, values, and perspectives.
3. Completes accurate clinical records including intakes, assessments, treatment plans and updates,
progress notes, discharge summaries, and other information in a timely manner.

B. Program and JMHC Participation (high responsibility, 10% effort)

1. Attends staff meetings, in-services and other program activities as requested.
2. Participates in JMHC committees, trainings and activities as directed and/or approved.

The above statements are not to be interpreted as an exhaustive list, but are intended to describe the general nature and level of work being performed by this employee.

Send resumes to hr.employment@journeymhc.org or applications are available:

- at www.journeymhc.org/careers
- or pickup at Journey Mental Health Center, 625 W Washington Ave., Madison, between 8 a.m. and 8 p.m. Monday-Thursday and 8 a.m. to 5 p.m. Friday

Employment is contingent upon a receipt of favorable results of background history and driver’s record check.

Journey Mental Health Center is an Equal Opportunity/Affirmative Action Employer. It is the agency’s belief that staff diversity and cultural competence are the foundation for services, which are accessible, effective, and relevant to the diverse needs of Dane County children, youth, families, and adults. Women, disabled, and culturally diverse applicants are strongly encouraged to apply.
