Job Posting

16101 Child/Adolescent Service Facilitator

Full-Time

Clinical Specialist II

Until Filled

100% FTE

16101

Outpatient Services

$36,916.98 – $47,238.53

Journey Mental Health Center is an Equal Opportunity/Affirmative Action Employer. It is the agency's belief that staff diversity and cultural humility are the foundation for services, which are accessible, effective, and relevant to the diverse needs of children, youth, families and adults. Individuals from all walks of life are strongly encouraged to apply.

ABOUT THE POSITION

We have an opening for a Child/Adolescent Service Facilitator in Outpatient Services. The Service Facilitator is responsible for providing a wide array of culturally competent, recovery oriented, trauma sensitive, direct clinical services including assessment, counseling, supportive contacts and referrals serving individuals who are struggling with co-occurring mental health and substance use disorders. The Service Facilitator also works as a Service Array Provider in the Intensive Case Management Program, part of Comprehensive Community Services (CCS). This is a professional clinical position in a State of Wisconsin DHS 36 certified program. The Service Facilitator provides a level of intensive case management services to assist consumers in their path towards recovery by employing a strengths-based approach and works closely with prescribers and nurses and others involved on the child/adolescent’s treatment team to coordinate services. The Service Facilitator also provides minimal case management services to medication only consumers.

BENEFITS THAT COME WITH WORKING AT JOURNEY!

Journey is on the cutting edge of providing services to those in our community who suffer from substance use, mental health and related medical illnesses. We are a training ground for local colleges and others in the behavioral healthcare field. Our staff includes clinical interns as well as seasoned employees who have decades of longevity!

TRAINING

Journey has a long-standing reputation as a training home and provides opportunities to earn post-degree supervised hours to qualify for licensure. Journey is an ACEP (Approved Continuing Education Provider) organization with national status. Journey provides ongoing trainings that satisfy continuing education requirements for licensure renewal and a Substance Use Disorder series designed to earn certification as a Substance Use Counselor. Trainings are generally provided at the main campus and are at no cost to staff to fulfill Journey’s mission of being a center of excellence.
COMPENSATION FOR CREDENTIALS

As staff increase their knowledge, the value to consumers, the community and other Journey staff is heightened. As a result, Journey provides additional compensation to staff as they obtain degrees, licenses and certifications.

GROWTH OPPORTUNITIES

Journey provides a wide variety of services, ranging from general counseling, hospital and jail diversion programs to providing resources to specific cultures in our community. With our continuous growth, opportunities for movement throughout our agency are numerous.

BENEFIT PACKAGE

To insure a healthy life/work balance we offer 5 weeks paid time off your first year in addition to 9 paid holidays! If you qualify, also included are health, dental, life, disability, long-term care insurances. Our retirement options include both a 403b and a fully vested pension plan after just one year!

If you are interested in making a difference in your community, we would appreciate the opportunity to review your resume! Please submit your resume to hr.employment@journeymhc.org.

Following Is A Job Description:

SUMMARY:
(See above.) The CSII reports directly to the assigned supervisor with overall program supervision provided by the Team Leader. Minimum annual service hours are 1325. This is a salaried, union position.

QUALIFICATIONS:

ESSENTIAL

Education/Licensure

- Master’s Degree in a related behavioral health field, accruing 3,000 hours of supervised clinical experience.

Experience

- Experience in related behavioral health field.
- Commitment to work toward improving cultural competence as demonstrated by: valuing diversity, recognizing personal limitations in one’s competencies and having the desire to improve.
- Strong commitment to principles of recovery and to facilitating consumer participation in treatment/service planning and provision.
- Knowledge and/or experience with the use of evidence based practices for treatment of substance use disorders and co-occurring disorders.
- Experience in community-based mental health and co-occurring assessments, case management, treatment planning and crisis resolution.
- Ability to communicate effectively (both orally and in writing).
- Ability to work effectively with an interdisciplinary team with a positive and creative attitude.
- Ability to work independently and remain organized and efficient.
- Superior ethics and interpersonal boundaries as evidenced by past experience in community based work with related professional references.
- Possession of a valid driver’s license, a favorable driving record, adequate insurance (per WI law) and access to a vehicle with willingness to use it for work (i.e. transporting consumers).
**Typical Physical Demands**

Requires driving, sitting, standing, light lifting, bending, and reaching; and the ability to use and operate standard office equipment, including computer, calculator, phone, printer, cell phone, facsimile, etc.

**Working Conditions**

May require evening or weekend hours depending on program and consumer’s needs.

**PREFERRED**

- Bi-lingual, and/or bi-cultural (Spanish/Hmong/Cambodian).
- Fluent in American Sign Language.
- Licensure as a Substance Abuse Counselor in Training, Clinical Substance Abuse Counselor or Substance Abuse Counselor.

**RESPONSIBILITIES:**

A. Provision of Clinical Services

1. Performs accurate assessments to evaluate and diagnose mental health and/or co-occurring issues in a culturally competent, recovery oriented, trauma sensitive manner by providing assessments within the context of the consumer’s perspectives and beliefs.
2. Provides a range of clinical services including level of care assessment, service coordination, therapy/counseling, support and referrals in a context that is supportive of the consumer’s culture, values and perspectives.
3. Completes accurate clinical records including intakes, assessments, treatment plans and updates, progress notes, discharge summaries and other information in a timely manner.
4. Works collaboratively with other community agencies to develop and maintain a continuum of care and maintain efficient use of community services.
5. Provides consultation and support related to areas of specialization.
6. Attends Team Meetings and presents consumer cultural and clinical information.
7. Maintains minimum direct and case management service hour expectations.
8. Works collaboratively with team members and takes a leadership role in service planning.

B. Program and JMHC Participation (high responsibility, 20% effort)

1. Attends staff meetings, in-services and other program activities as requested.
2. Participates in JMHC committees, trainings and activities as directed and/or approved.
3. Provides consultation to other JMHC programs as necessary.

The above statements are not to be interpreted as an exhaustive list, but are intended to describe the general nature and level of work being performed by this employee.

**ADDITIONAL INFORMATION**
