We cannot function without great employees – talented, caring professionals are rewarded with a great total rewards package and support!

**Community Services – Human Services – Social Worker Behavioral Health Unit**

**Full-time – Non-exempt (Hourly) Position**

The Human Services Department assists, empowers, and builds upon the strengths of the children, youth, and adults in Polk County to achieve positive outcomes.

This position is responsible for providing a variety of direct and indirect services to clients with mental illness and/or substance abuse concerns. These clients may be under mental health or drug commitments and either living in, or returning to the community. Much of the activities of the position will involve work with the client family, other service providers, including various community agencies such as law enforcement, Social Security Administration, Vocational Rehabilitation, other Human Services Department units, as well as landlords, physicians, retailers, and client employers. The occupant of the position will strive to obtain, facilitate, and coordinate the delivery of services in a timely, efficient, and cost-effective manner in order to assure that the client is not only able to remain in the community, but is able to fully participate, meeting acceptable standards of community involvement while enjoying personal satisfaction in this involvement. The occupant of the position is to ensure the appropriate level and intensity of service provision, the effectiveness of interventions, and continuity of services, while serving as the communication liaison between the client and all other involved parties.

Qualifications include Bachelor’s Degree in Social Work or related human services field, and preferable direct experience with Case Management in Behavioral Health area.

**Deadline to apply: August 19, 2016**
