CRISIS RESPONSE ADVOCATE (Third shift)

Join our team of change-makers and help transform lives impacted by domestic violence and sexual assault.

Do you excel in an environment where you can:

- Provide crisis intervention/crisis response services included safety planning and crisis planning for individuals and families affected by domestic violence and sexual assault;
- Respond to requests from hospitals, health care providers, law enforcement and human services departments to provide direct client services for victims/survivors.
- Provide accompaniment for victims/survivors as requested.
- Respond promptly to referrals and other requests for services from community partners.
- Respond promptly to hotline calls and contacts through email and social media.
- Provide information, support and resources to help individuals make informed choices.
- Collaborate with team members to develop solutions to help ensure the safety of victims;
- Manage multiple clients and tasks while remaining calm and supportive;
- Connect with diverse people in difficult situations;
- Recognize and appropriately respond to signs of trauma;

Hope House of South Central Wisconsin is recruiting qualified candidates for full time Crisis Response Advocates. A bachelor’s degree is required, master’s degree is preferred, and four years of professionally supervised experience related to the position. Experience with Motivational Interviewing and Substance Abuse Certificate preferred. This position is based in Baraboo, Wisconsin.

Full time position is 30-32 hours/week working 11pm-8am with every other Sat/Sun/Monday off work.

Hourly wage is $16.25-$19.25/hour depending on experience. A generous benefit package including vacation, holidays, sick leave, health, dental, vision, short and long term disability and life insurance, 401(k), flex account, and paid training is offered. Mileage reimbursement is available for approved travel.

Please apply by sending a letter of application with salary requirements, current resume, 3 professional references, and a one-page description of your understanding of domestic and sexual violence. Applications will be accepted until positions are filled. Hope House is an equal opportunity employer. Reasonable accommodations will be provided to individuals with disabilities upon request.
