Foster Care Services
Caregiver Support Specialist

We are seeking a dynamic human service professional to fill the position of Caregiver Support Specialist. The position requires a Bachelor's degree in Social Work or a related field, Master's degree in Social Work preferred. Ideal candidate will have a minimum of two (2) years' experience working in the child welfare field and demonstrated the ability to work flexibly within an interdisciplinary team. Position includes extensive community involvement and offers a challenging yet flexible schedule. Candidate must have own transportation, meet agency auto insurance requirements and have a valid driver's license with an acceptable driving record. The Caregiver Support Specialist will be responsible for providing supportive services to licensed foster parents and relative caregivers of children in court-ordered care in order to enhance their ability to meet the children's needs. Responsibilities will include providing clinical support services, skill development, guidance, information and resources to Caregivers. Will also do assessments and develop strengths-oriented goals to meet Caregiver family needs.

Minority candidates are strongly encouraged to apply.

Qualified candidates should submit a cover letter and a resume online.
