**JOB SUMMARY:**
The Child and Family Specialist (CFS) position is responsible for providing a wide array of culturally competent, recovery oriented, trauma sensitive, direct clinical services including individual, couples, family, and group therapy. The CFS is responsible for writing and maintaining accurate and timely documentation related to the provision of service. The CFS attends team meetings and other regular program activities. The CFS reports directly to the assigned Team Leader with overall program supervision provided by the Clinical Area Manager. The position requires some evening work hours. A full-time position requires a minimum of 1325 combined direct service and case management hours with at least 759 hours of direct client service. The CFS also completes other duties and services as assigned.

**QUALIFICATIONS:**

**ESSENTIAL:**
- Licensure as an LCSW, LPC or LMFT, or Master’s Degree in a related field with eligibility for licensure within 6 months of hire.
- Demonstrated commitment to cultural competence by ensuring that services provided are relevant to the diverse and unique needs/experiences/perspectives of each client
- Demonstrated commitment to recovery principles demonstrated by commitment to actively involve clients in the treatment planning and implementation process.
- Experience in community based mental health and/or substance abuse assessment, treatment, diagnosis, intervention, and case management and crisis resolution with children/adolescents/families from diverse cultural backgrounds.
- Working knowledge of child development, systems theory, and effect of trauma on development and family functioning.
- Working knowledge of evidence based practices including trauma-focused therapies.

**PREFERRED:**
- Dual credentialing as a Mental Health and Substance Abuse professional.
- 3000 hours supervised postmasters’ experience. Certification (or eligibility) for MA Provider Status and HSS 61.96(2)(3) certification to bill for mental health services.
- Bilingual/Spanish Speaking
