**Family Case Manager**

At Children’s Hospital of Wisconsin, we believe kids deserve the best.

Children’s Hospital is a nationally recognized health system dedicated solely to the health and well-being of children. We provide primary care, specialty care, urgent care, emergency care, community health services, foster and adoption services, child and family counseling, child advocacy services and family resource centers. Our reputation draws patients and families from around the country.

We offer a wide variety of rewarding career opportunities and are seeking individuals dedicated to helping us achieve our vision of the healthiest kids in the country. If you want to work for an organization that makes a difference for children and families, and encourages you to be at your best every day, please apply today.

Children's Hospital of Wisconsin Community Services is the state's largest private, not-for-profit provider of child welfare services. Community Services has a 123-year history, working with families to build, sustain and enhance a nurturing environment for Wisconsin children.

We are dedicated to ensuring the safety and well-being of children and families and reducing the number of children in foster care by safely moving children in foster care to permanency in a timely manner. We offer fulfilling and challenging career options for people who have the passion to work with children and families involved in child welfare. At Children’s, we’re committed to creating an environment for staff where they can build experiences and skills for a career, not just a job.

We are seeking full-time Family Case Managers to start in Spring 2015 based at our S. 76th St. Milwaukee site to provide services to children in out-of-home care. Experience with community health, community engagement efforts, and outcomes and measures strongly preferred.

As part of child protective services case management, this position actively coordinates assistance provided to children and families. The family case manager directs the child protective services case process using the Family Teaming process of a strength-based family-centered approach including: child and family assessments; development and management of service and case plans; use of resources including formal and informal supports and services to ensure child safety; evaluation and monitoring of case progress and movement toward case closure. Family case managers are responsible for decision-making and case activity that supports appropriate use of out-of-home placements and children's involvement. Performs adoption case management and finalizations to include negotiating adoption assistance subsidies and completing court work. Completion of all necessary paperwork/various database input in a timely manner.

Bachelor's Degree in Social Work, Psychology, Sociology, Criminal Justice or related field is required. Social Work certification preferred and one year of experience in the delivery of educational training, employment services, vocational counseling, social services or related field preferred. Requires a valid driver's license, acceptable driving record, personal auto liability insurance coverage and the ability to be insured by the CHHS auto insurance carrier.
We will be hosting a **Job Fair** for this position with onsite interviews on **March 21st** from **9:00am to Noon** at the Children's Corporate Center 999 N. 92nd St. Please park in the staff parking lot behind the Corporate Center building. Job fair will be in Human Resources, Suite 240.
