Middle School Male Youth Programs Coordinator

January 7, 2015

Join our Lussier LOFT team at the Goodman Community Center. The Middle School Coordinator is responsible to create, implement, monitor and grow gender specific programs for males as a component of the overall LOFT out of school program.

Must have at least two years’ experience working in an out of school time setting or with Middle School Youth in program planning, environment design, and staff supervision. Working knowledge of positive youth development. Experience working with economically and ethnically diverse populations.

Special Position Requirements

- Ability to work a flexible schedule including some evenings and weekends in addition to business hours.
- Hold a valid driver’s license and a good driving record.

Competitive wage and benefit package. Applications and a complete job description are available at www.goodmancenter.org. Please include resume with applications due by January 19th.

GCC is an AA/EO employer
