Tellurian, Inc. is seeking individuals to work full time as a Human Service Specialist in our Crisis Stabilization program in Madison, Wisconsin.

Do you have a Bachelor's or Master's Degree in the Health or Human Services field? Do you think quick on your feet? Are you self-motivated? Are you passionate about helping others? If you answered yes to the previous questions, you may be a good fit for this position!

Human Service Specialists provide care for individuals in mental health crisis in a residential (CBRF) setting. Residents are mentally ill and/or experiencing mental health crisis, and require close behavioral monitoring and supervision.

The shift time for this position is 8.5 hours in length for full-time. The assigned 8.5 hour shifts are pm or night shift depending on schedule. These shifts include weekend hours as well. **There is a $200.00 sign-on bonus included with this position plus another $300.00 bonus with the successful completion of the 6-month trial period**

**ESSENTIAL FUNCTIONS:**

- Monitor residents' physical and emotional well-being and report unusual behavior or physical ailments to management staff.
- Provide support and personal care to mentally ill individuals in crisis.
- Observe and influence residents' behavior, communicating and interacting with them to ameliorate their symptoms of mental health crisis. May include gaining trust, teaching, counseling and befriending.
- Collaborate with or assist psychiatrists, psychologists, or rehabilitation therapists in working with mentally ill individuals in crisis; to assure their safety, reduce their symptoms in an effort to return residents to the community.
- Develop and teach strategies to promote resident skills in coping with their mental illness, to promote recovery principles, wellness and independence
- Monitor and intervene with violent, potentially violent, or suicidal patients with verbal and non-restraining means as required to assure resident and staff safety.
- Supervise oral medications following physician's prescriptions and orders and maintain records in accordance with specified procedures.
- Interview new patients to complete admission forms, to assess their mental health status and to obtain their mental health and treatment history.
- Lead prescribed individual or group therapy sessions as part of specific therapeutic procedures.
- Take and record measures of residents' mental health symptoms, document progress, and record information for billing purposes.
- Encourage patients to participate in social, recreational, and other therapeutic activities that enhance interpersonal skills and develop social relationships including the development of work skills.
- Aid patients in performing tasks such as bathing and keeping beds, clothing and living areas clean.

**POSITION REQUIREMENTS:**

- Bachelor's Degree in Health, Human Services or other related field, Master's degree preferred is preferred
- Excellent oral and written communication skills
- Two years related experience is preferred
- Ability to speak Spanish is preferred
- Consideration will be given to those with Peer Specialist Certification
- Must be compassionate and have the desire to work with individuals with mental illness who are experiencing crisis
- Must pass required criminal background checks for care givers
- Must have an active driver's license
