Lafayette County Job Descriptions

**Position Classification:** Information & Assistance Specialist (Grade )

**Department:** Human Services/ADRC

**Reports to:** ADRC Manager

**Supervisors:** N/A

**Position Purpose:** The purpose of the Information & Assistance Specialist position is to provide public (particularly adults who are elderly, physically disabled, developmentally disabled, or who have mental health or substance use disorders) with information and referral to a wide range of community resources. This person will help inform and educate people about their options; assist in connecting them to programs, services and public and private benefits; and provide intake, eligibility determination and enrollment into the Family Care/Care Management Organization.

**Essential Position Responsibilities:**

1. To provide information and assistance to members of the client populations and their families, friends, caregivers, advocates, and others who ask for assistance on their behalf.
2. Providing information and assistance includes listening to the inquirer, assessing his or her needs, and helping the inquirer to connect with service providers or gain information to meet the identified needs.
3. Information and assistance can be provided in person, including home visits and walk-ins, over the telephone, via e-mail, or through written correspondence.
4. Identify and evaluate the issue(s) leading to the inquiry, establish rapport with the inquirer, determine the nature of the situation, and evaluate the knowledge and capacities of the inquirer, in order to determine how to approach the information giving service.
5. Provide information about programs, services and public and private benefits, make referrals, and when needed, help consumer get connected to appropriate services.
6. Provide counseling about the options available to meet long term care needs and factors to consider in making long term care decisions.
7. Complete functional and financial eligibility criteria for receiving publicly funded long-term care and for participating in the Medicaid fee-for-service system, in order to assist the individual in assessing the likelihood that he/she will be eligible.
8. Provide follow up and/or short term case management, as needed, to determine outcomes and provide additional assistance in locating resources and arranging services.
9. Gather and document information about callers on an electronic resource database and complete required state reports and quality reviews.
10. Advocate on behalf of individual customers when there are issues with access to services.
11. Provide consultation to persons who are referred to them by a nursing home, community based residential facility, or residential care apartment complex, providing information and decision support and to prevent or delay the need for publicly funded long term care.
12. Receive referrals from nursing homes under MDS 3.0 Section Q and provide services that are available to residence that indicate a desire to relocate to the community.
13. Participate in various transition activities designed to help youth who are disable transitioning from school to the adult world.
14. Participate in marketing and outreach activities.
15. Participate in after hours emergency on call rotation as directed.
16. Participate in meetings and training opportunities, as well as combined activities involving both the North and South ADRC regions.
17. Participate in regional and cross-region Functional Teams to address program and quality issues.
18. Comply with applicable federal and state laws, administrative rules, established agency procedures and accepted professional standards.
19. Assist with Resource Center coverage.
20. Participates in related Aging and Disability Resource Center programs and other duties as assigned by the ADRC Manager and Administrative personnel.

Position Requirement:

- Bachelor’s degree in Social Work or Human Services related field, with knowledge and experience in areas such as public benefits, entitlements, insurance, consumer issues, long term care service system, and legal system.
- Have the ability to maintain confidential information.
- Possess computer skills with the ability to learn new programs.
