Medical Social Worker-MSW: Home Health United

Our top priority at Home Health United is to ensure that we have a team of highly qualified professionals to meet the needs of our patients. We’re seeking skilled Social Worker professionals and invite you to learn more about this opportunity.

Why Home Health United?
At Home Health United we take pride in providing high quality care for our patients. The Centers for Medicare and Medicaid (CMS) recently began rating home health agencies throughout the United States with star rating systems. The star ratings are based on the outcomes of the organization. CMS announced the star ratings in July and we were pleased to learn that Home Health United has the highest star rating in our services area with 4.5 stars out of 5.

Home Health United, is a large, growing, non-profit organization. Our organization is comprised of four companies and is recognized as a well-established leader in the area of home health care in Wisconsin. We offer comprehensive services including home health services, hospice, pharmacy and durable medical equipment. Gain a fantastic clinical experience and the knowledge that you truly make a difference every day in the lives of our patients. There are exciting opportunities available on our patient care teams. Come join our caring, experienced patient care professionals!

Come join our caring, experienced patient care professionals!
