ADVISORS can make a large university seem less formidable.

CONSULT WITH AN ADVISOR when, as a prospective, current or graduating student, you are making major decisions in your academic career. For types of assistance advisors provide, please see reverse.

ADVISORS ARE AVAILABLE Tuesday through Saturday at both the Madison and Eau Claire sites.

MEET WITH ADVISORS in-person, by phone, or via Skype.

PLAN ON VISITING AN ADVISOR each academic year, at a minimum. As you move through the program, more frequent visits are encouraged.

DROP-IN APPOINTMENTS are welcome, or schedule an appointment for a guaranteed time. Appointments can be made online, by phone or email.

ADVISORS ARE NOT ASSIGNED, and you are welcome to meet with any available advisor.
