PURPOSE

Here is your opportunity to use your unique combination of skills as a bilingual professional social worker in this rewarding position in public health; your involvement will have a direct positive impact on families striving to lead healthier lives. Under the direction of the Empowering Families of Milwaukee (EFM) Program Manager, the Public Health Social Worker-Bilingual assigned to the EFM Program functions as part of a multidisciplinary case management team with the focus on the psychosocial needs of families. The person in this position conducts personal and home visits to work intensively with at-risk pregnant women, families, and infants to improve maternal health, prenatal care, and early childhood health, development, and well-being. Providing services in Spanish and English, the Public Health Social Worker-Bilingual works collaboratively with public health nurses to serve Milwaukee families.

MINIMUM REQUIREMENTS

Bachelor’s degree in social work from an accredited college or university.

Two years of social service experience working in the community with clients.

Social Worker certification from the State of Wisconsin or eligibility for a temporary Social Worker certificate.

1. Fluently speak, read, write, and understand Spanish and English.

2. Valid Driver’s license and availability of a properly-insured vehicle at time of appointment and throughout employment.

Equivalent combinations of education and experience will be considered.

IMPORTANT NOTE: College transcripts are required and must be received by the application period closing date. Student (unofficial) copies are acceptable. Transcripts should be attached to your online application. Applications without transcripts attached will be considered incomplete and will be rejected. Your transcript must be legible and include your college/university name, your name, the degree completed (if applicable) and the date completed.
