Waupaca County is accepting applications for a full-time Social Worker with the Community Behavioral Health Unit, an entity of the Department of Health and Human Services. This position performs professional social worker functions that provide case management services to mentally ill individuals. This position works under the direct supervision of Community Behavioral Health Unit Manager.

Starting Hourly Pay: $22.08 per hour

Summary of Position: This position primarily provides team leadership and service coordination to adults with severe mental illness. This individual will be responsible for developing individualized case plans, providing direct case management, and coordinating needed services.

The position also provides crisis intervention and case management to persons of all ages, monitors mental health court orders, provides outreach to individuals identified with a mental illness, and participates in both the workday and after-hours on-call rotation.

Requirements:

Education: Graduation from an accredited college or university with a Bachelors degree in social work or a related human services field (psychology, sociology, criminal justice, or related field). Must be a certified, or in the process of being certified, as a Social Worker in the State of Wisconsin.

Experience: Preferably two years of paid Social Work experience; preferably in mental health working with various community groups. Knowledge of Trauma Informed Care principles is essential.

How to Apply: Interested individuals must complete an application form. Application and complete information on benefits and wage schedule may be obtained from the county website [www.co.waupaca.wi.us > Departments > Human Resources > Employment](http://www.co.waupaca.wi.us) or contact Human Resources:
