Sawyer County
Child Protective Services Social Worker

Sawyer County Health and Human Services is accepting applications for a fulltime Child Protective Services (CPS) Social Worker. Under the direct supervision of the CPS Supervisor, the CPS worker will provide a variety of child protective services to clients, including Access, Initial Assessments, and Ongoing services. Additionally, the CPS worker will provide on-call services on a rotating basis.

Sawyer County (population 17,000) is situated within the pristine woods and waters of northwestern Wisconsin. Sawyer County Health and Human Services is located in the county seat of Hayward. Hayward is home of world class events such as the American Birkebeiner and the Lumberjack World Championships.

Qualifications include a Bachelor’s degree from an accredited social work program or related field and a Wisconsin certified social worker, or any equivalent combination or training schooling, and/or experience may be considered. Knowledge of and/or experience with social service type of work is preferred. Experience with computer use and applications, including databases and Microsoft Office products is necessary.

Competitive wage and benefit package includes health insurance, Wisconsin retirement pension fund, life insurance, sick and vacation leave, and holiday pay.

Complete position description and application form may be obtained at the Sawyer County Human Resources Office of the Courthouse at 10610 Main St., Hayward, WI, by calling 715-638-3242, or from the Sawyer County website at www.sawyercountygov.org under Employment.

Applicants must complete and submit the Sawyer County application form. Deadline: Open until filled. Applications may be returned to the Sawyer County Human Resources Office, 10610 Main Street, Suite 23, Hayward, WI 54843, or may be submitted electronically through the Sawyer County website.
