Team Lead positions available at Family Service Madison’s Bridges for Families Birth to Three Program.

The team lead supervises the day-to-day operations of their Team. The Team Lead provides direction, guidance, and coaching to the members of the Team. The Teams consist of early educators, social workers, physical therapists, occupational therapists, speech-language pathologists, and service coordinators. The Team Lead reports and works closely with the director of the program.

Requirements:

1. Broad knowledge of the needs of families with children with delays and disabilities.
2. Knowledge of the developmental needs of infants and toddlers, including children with a variety of abilities and their families.
5. Ability to communicate with parents, staff, and other professionals.
6. Ability to identify strengths, challenges, and needs of individuals and teams.
7. Ability to collaborate with others to solve problems and make improvements.
8. Desire to be part of team that utilizes Primary Coach Approach to Teaming with fidelity.
9. Strong organizational skills
10. Must pass Wisconsin criminal and caregiver background checks

Hours: This is a 50% position at 20 hours/week with a flexible schedule occurring between the hours of 8:00 -4:30 Monday - Friday.

Benefit package available. Sick time, vacation time, and paid holidays.

Deadline: February 25, 2016

To apply, please visit Family Service Madison's website at www.fsmad.org and click on the "Careers at FSM" tab to access the application.

Send your completed application and a resume to Melissa Nicolai.
