Personal Coach Position Available!

Walden Living is seeking a part-time Personal Coach to provide support and assistance with the activities of Walden Living residents in Delafield, WI.

Walden Living is a unique service that gives individuals with eating disorders, anxiety disorders, and mood disorders the opportunity to live in a supported living community while participating in treatment and regaining independence. This position is a great opportunity for students looking to gain experience in the mental health or health related fields.

Personal Coaches assist residents with activities including, but not limited to, the following:
- Grocery Shopping
- Menu Planning
- Time Management
- Financial planning assistance
- Social Networking
- Coordination of care between treatment team providers
- One on one coaching meetings to discuss current goals and/or concerns
- Facilitate Group Activities, Meetings, and Outings

Walden Living Personal Coach Requirements:

- Coursework in Psychology, Social Work, or other health related field, Bachelor’s degree preferred
- Knowledge of and/or experience working with mental health issues
- Availability on Monday, Wednesday, and Friday Evenings to meet the needs of the residents
- Ability to set and maintain appropriate boundaries with residents
- Strong communication and organizational skills
- Availability to work 7-15 hours per week (hours fluctuate dependent on number of residents)

Personal Coaches compensation is on average $14-$15 per hour

If interested, please send a Resume/Cover letter to genna@waldenliving.com.
