Student Questions

Please describe, as specifically as you can, why you have decided to apply to the child welfare training program.

Response Required: Yes
Max # words: 250

Describe why you are interested in a career in Public Child Welfare and what you expect the work to entail.

Response Required: Yes
Max # words: 500

Describe any prior experiences you have had in child welfare and how these experiences have influenced you personally and professionally (e.g field placements, work, or volunteer experiences).

Response Required: Yes
Max # words: 200

Describe any educational experiences you have had related to child welfare and how these have prepared you for the child welfare training program and/or a career in child welfare.

Response Required: Yes
Max # words: 200

Public Child Welfare work involves both rewards and challenges. Describe what you believe these rewards and challenges are and how you would respond to them personally.

Response Required: Yes
Max # words: 500

Describe any other factors that you would like taken into consideration as we consider your application. (e.g. personal factors that make you uniquely qualified for the work, professional goals which are congruent with program goals, personal financial or academic factors or additional information that is pertinent but not included in the application).

Response Required: Yes
Max # words: 125

Would you be available for an interview for the Traineeship?

Response Required: Yes

Choices: No | Yes

Conditions of Participation in the Public Child Welfare Training Program

Response Required: No

Conditions of participation in the Training Program are as follows:

Response Required: No

With acceptance of the Public Child Welfare Traineeship, the Trainee agrees to the following:

Response Required: No

1. To complete the Training Curriculum in Public Child Welfare. Please note that Masters's students without a BSW who are accepted into the Traineeship are expected to complete all Generalist and Advanced Practice years of the Training Program.

Response Required: No

2. To participate in all Traineeship related activities.

Response Required: No

3. To maintain full-time status as a graduate student (8 or more credits each semester), or full-time status as an undergraduate student (12 or more credits each semester) or adhere to the part-time curriculum plan each semester if a part-time student.

Response Required: No

4. To ensure that transportation is available to and from the field site and to be willing to accept available field placements.

Response Required: No

5. To provide the School of Social Work with documentation of expenses relating to the Traineeship (e.g. receipts, mileage requests).

Response Required: No

6. Upon graduation, to accept full-time or part-time employment within 6 months of graduation in a professional level position performing public child welfare functions in a state, county, or tribal agency in the State of Wisconsin as approved by the Program Coordinator.

Response Required: No

7. To remain employed in such a position for at least 12 months of full-time equivalent employment for every year in which money was received if a full-time student. Part-Time Program students will be expected to work for 12 months of full-time equivalent employment for Generalist funding, and 12 months of full-time equivalent employment for Advanced Standing funding. Please note that students need to be willing to take available positions within the State of Wisconsin which may necessitate relocation.

Response Required: No

8. To comply with any employment procedures established by the School and provide the School with all requested data related to employment efforts.

Response Required: No

9. To agree to be tracked for the purposes of ensuring compliance with the employment time period commitment and program evaluation.

Response Required: No

10. To enter the program as a student in academic good standing, and remain in academic good standing through completion.

Response Required: No

Please note that failure to complete the Training Program or to comply with any of the above requirements will require the Trainee to pay back to the School all monies paid to the Trainee including legal fees if necessary.

Response Required: No

Would you be able to comply with all these requirements? By selecting yes, you acknowledge that you have read the Conditions of participation and agree to them.

Response Required: Yes

Choices: No | Yes

Thank you for applying to the Title IV-E Program. Please remember to fill out the Employment section in the "My Profile" page on this site, particularly if you have previous Public Child Welfare experience.

Response Required: No
