

BUILDING BRIDGES

Be part of an exciting, innovative, growing school based mental health program!

Catholic Charities is seeking a full-time masters level (or equivalent experience) social worker and/or mental health professional to work in Catholic Charities' Building Bridges program serving Dane County public school districts. This a mental health crisis intervention program serving 4K – 8th grade students, along with their parents and school team.

Summers off! Preferred candidates will have professional experience supporting youth, families & school staff - as well as professional mental health experience. Catholic Charities is committed to achieving a diverse workforce & to maintaining an atmosphere of diversity & inclusion. We want our staff & programming to reflect the rich culture & diversity of our state & actively encourage applicants from diverse backgrounds to apply. Spanish language skills are a plus!

Due February 1, 2020

Please send resume and cover letter to:

Catholic Charities has served people in an 11 county area in south-central Wisconsin since 1946. Annually nearly 30,000 people benefit from the agency programs provided by 300+ employees and over 1,000 volunteers. We serve and employ persons regardless of sexual orientation, religious, ethnic, racial or social background. We are an Equal Opportunity/Affirmative Action employer. We encourage women and minorities to apply.

Employees enjoy a supportive work environment and competitive pay. Full-time employees are eligible for health and dental insurance, 403(b) retirement savings plan, health cafeteria plan, sick pay and generous paid vacation time. We also offer the 403(b) retirement plan to part-time employees working 20 hours or more per week, as well as pro-rated sick and vacation time off.
