

## Curriculum Vitae

Marci A. Ybarra

Sandra Rosenbaum School of Social Work  
1350 University Ave., Madison, WI 53706  
ybarra@wisc.edu

---

### **Formal Education**

- 2009 Ph.D., Social Welfare, University of Wisconsin-Madison  
Dissertation Title: Examining post-reform welfare regimes: The extended application process, non-participation, and welfare as means-tested maternity-leave
- 2002 Master of Social Work, School of Social Work, Wayne State University
- 2001 Bachelor of Social Work, School of Social Work, Wayne State University

### **Positions Held**

- 2022-present **Associate Professor**, School of Social Work, University of Wisconsin-Madison
- 2022-present **Visiting Associate Professor**, School of Social Work, University of Wisconsin-Madison
- 2022-present **Member**, NORC Technical Expert Panel, 2024 National Survey of Early Care and Education (NSECE)
- 2021-2023 **Member**, National Academy of Sciences (NAS) Committee on *Addressing the Long-term Impact of the COVID-19 Pandemic on Children and Families*
- 2023-2024 **Vice President** (elected) APPAM
- 2019-2023 **Member** (elected), APPAM Policy Council
- 2018-2022 **Associate Professor**, Crown Family School of Social Work, Policy, and Practice, University of Chicago
- 2018-present **Faculty Affiliate**, Institute for Research on Poverty, University of Wisconsin
- 2018-2019 **Member**, Thought Leaders of Color Working Group, Voices for Illinois Children
- 2018-2020 **Member**, Advisory Board on Women, Girls, & Policy, City of Chicago
- 2017-2022 **Faculty Affiliate**, Gender & Women's Studies, University of Chicago
- 2017-2019 **Member**, Poverty, Employment, and Self-Sufficiency Network. Institute for Research on Poverty, University of Wisconsin
- 2017-2019 **Member**, National Association for Social Insurance Working Group on Paid Leave & Child Care
- 2017-2019 **Co-Chair**, Inclusion, Equity, & Diversity Committee, University of Chicago
- 2016-2019 **Faculty Affiliate**, Economic Self-Sufficiency Policy Research Institute (ESSPRI), University of California-Irvine
- 2015-present **Faculty Affiliate**, William Sheehan Lab for Economic Opportunities (LEO), University of Notre Dame
- 2015-2019 **Member**, Family Self-Sufficiency Research Technical Working Group. Administration for Children and Families (ACF), Office of Planning, Research, and Evaluation (OPRE)

- 2014-2016     **Advisory Council**, Administration for Children and Families Family Self-Sufficiency Data Center, University of Chicago
- 2011-2017     **Assistant Professor**, School of Social Service Administration, University of Chicago
- 2011-2022     **Faculty Affiliate**, Center for Human Potential and Public Policy, University of Chicago
- 2011-2022     **Faculty Affiliate**, Center for the Study of Race, Politics, and Culture, University of Chicago
- 2011-2022     **Member**, Employment instability, Family Well-being, and Social Policy Network (EINet), University of Chicago
- 2009-2011     **Ford Foundation Postdoctoral Fellow**, University of Michigan
- 2003-2009     **Research Assistant**, Institute for Research on Poverty, University of Wisconsin
- 2003-2004     **Survey Technician**, Denver Housing Study
- 2002           **Policy Analyst**, Detroit City Council, Office of the President
- 2001           **Interviewer**, Department of Community Health Quality of Life Survey

**Special Honors and Awards**

- 2020           School of Social Service Administration, University of Chicago. Award for Excellence in Doctoral Student mentoring (student-nominated award)
- 2017           Scholar-in-Residence Fellowship at Poverty Solutions, University of Michigan. Awarded by the Institute for Research on Poverty, University of Wisconsin
- 2015           Emerging Scholar, Self-Sufficiency Research Center, Office of Planning, Research and Evaluation, Administration for Children and Families
- 2015           University of Chicago, University Community Service Center, Faculty Service Award
- 2011-2012     Early Career Work-Family Scholar, Work and Family Researchers Network University of Pennsylvania & the Sloan Network
- 2008           Institute for Research on Poverty Graduate Research Summer Fellowship
- 2007           University of Wisconsin Graduate Advanced Opportunity Fellowship
- 2004-2009     Institute for Research on Poverty Graduate Research Fellow
- 2002           University of Wisconsin Graduate Advanced Opportunity Fellowship
- 2002           Wayne State University, School of Social Work, Zwerdling Award, Best Master's Thesis
- 2002           Wayne State University, Latina En Marcha Scholarship
- 2001           Wayne State University, Latina En Marcha Scholarship
- 2001           National Institute of Mental Health Initiative for Maximizing Student Diversity Fellowship
- 2000           National Institute of Mental Health Careers and Opportunities in Research Fellowship

**Research Support**

<b>CRSA Award</b>	<b>Ybarra (PI)</b>	<b>10/31/2022-10/31/2024</b>
Child Support Policy Research Agreement, State of Wisconsin		\$271,251
(With PIs: Alejandra Ros Pilarz & Laura Cuesta)		
Noncustodial parents' child support and custodial parents' income packages: Comparing the Great Recession and COVID-19 recession eras		
 <b>DWD/DOL Award</b>	 <b>Ybarra (Co-PI)</b>	
<b>5/01/2023-9/30/2024</b>		
Equitable Access to Unemployment Compensation Data Tools		\$1,520,300

Interagency Agreement between Wisconsin Department of Workforce Development and the University of Wisconsin System.

**LEO Award**                      **Ybarra (PI)**                      **08/22/2022-12/31/2022**  
Lab for Economic Opportunities, Notre Dame                      \$40,242  
Understanding low take-up in social services  
This study aims to understand reasons for nonparticipation in ‘intensive’ case management interventions in nonprofit settings. This study will draw on 60 semi-structured interviews with individuals who were offered intensive case-management services to improve earnings or promote community college completion but ultimately declined to participate.

**RSF Award**                      **Ybarra (PI)**                      **06/30/2021-06/30/2023**  
Russell Sage Foundation                      \$34,736  
Before and after COVID-19: The well-being of racialized and immigrant Chicagoans  
This study draws on 349 interviews with Black, Latinx, Asian, and/or immigrant Chicagoans before (2018) and after the onset of COVID-19 (2020) to understand how the safety net mitigated (or not) pandemic-related socioeconomic consequences and experiences among some of the most marginalized groups in the United States.

**CHAS Award**                      **Garcia (PI)**                      **07/01/2017-07/01/2019**  
Center for Health Administration Studies (CHAS)                      \$20,000  
Hidden Inequalities: COVID-19 and the Well-Being of Poor and Racialized Chicagoans.  
This study draws on 349 interviews with racialized and immigrant Chicagoans to elucidate health and healthcare seeking before and after the pandemic.  
Role: Co-PI

**MMPN Award**                      **Ybarra (PI)**                      **06/30/2020-08/31/2021**  
University of Michigan, Poverty Solutions                      \$25,000  
Bridging the Gap: How Nonprofit Organizations Support Marginalized Communities amid COVID-19  
The project leverages interviews with 25 Chicago-based community-based nonprofits who primarily served racially and economically marginalized populations during the pandemic to elucidate challenges and promises of serving constituents during COVID-19.

**Big Idea Generator Award** **Ybarra (PI)**                      **09/01/2020-08/31/2021**  
University of Chicago, Office of the Provost                      \$40,000  
Mitigating health and socioeconomic disparities of COVID-19 in Chicago  
This project draws on 349 interviews with racialized and immigrant Chicagoans to elucidate federal, state, and local level pandemic-era provisions that attenuated the health and economic consequences of COVID-19 for marginalized Chicagoans.

**CSRPC Award**                      **Ybarra (PI)**                      **09/01/2020-09/01/2021**  
Center for the Study of Race, Politics, and Culture                      \$10,000  
University of Chicago

The racialized health and socioeconomic impact of COVID-19

This study draws on 349 interviews with socioeconomically marginalized Chicagoans before and after the pandemic to illustrate the impact of COVID-19 on health seeking behaviors, access to care, and economic well-being.

**Women’s Board Award      Ybarra (PI)      09/01/2020-09/01/2021**

The University of Chicago Women’s Board      \$25,000

Surviving on the Margins: Inequality in Chicago amid Covid-19

This study leverages 349 interviews with marginalized Chicagoans and 25 interviews with Chicago nonprofits to investigate strategies used during the pandemic to offset economic hardship.

**Mansueto Award      Mosely (PI)      09/01/2018-9/01/2019**

Mansueto Institute, University of Chicago      \$5,000

Perspectives from the field: Nonprofits’ experiences with randomized control trials

This study draws on interviews with 40 nonprofit leaders to understand the proliferation, costs, and benefits of implementing randomized trials in nonprofit settings.

Role: Co-PI

**Trust Award      Garcia (PI)      09/01/2018-09/01/2019**

Chicago Community Trust Foundation      \$60,000

A right to the city? The impact of CityKey identification on participant well-being

This study is based on an original survey (N=7,439) with enrollees in Chicago’s municipal identification program, CityKey. We analyze this survey data to understand the relationship between obtaining a municipal identification and trust in local and state government.

Role: Co-PI

**LEO Award      Ybarra (PI)      09/01/2018-09/01/2019**

Lab for Economic Opportunities, Notre Dame      \$25,000

Qualitative assessment of the Stay the Course

This study includes 120 hours of participant observations of frontline staff, administrators, and clients and 20 interviews with staff in a case-management program designed to promote community college persistence, completion, and transfers to 4-year universities.

**Vice Provost Award      Ybarra (PI)      04/01/2017-12/31/2017**

Office of Vice Provost, University of Chicago      \$5,000

An evaluation of Chicago’s Municipal ID: CityKey

Funding from the University of Chicago’s Vice Provost office provided seed money to develop and field an original survey with enrollees in Chicago’s municipal identification program, CityKey.

**CHAS Award      Gonzalez (PI)      09/01/2018-09/01/2020**

Center for Health Administration Studies      \$25,000

University of Chicago

Right to the City: Can Municipal Identification Unlock the Door to Urban Democracy in Chicago

This study leverages an original survey with 7,439 enrollees in Chicago's municipal identification program to understand the relationship between access to formal identification and democratic participation

Role: Co-PI

**Pozen Award**                      **Gonzalez (PI)**                      **09/01/2018-09/01/2019**

Pozen Center for Human Rights                      \$19,000

University of Chicago

Right to the City: Can Municipal Identification Unlock the Door to Urban Democracy in Chicago

This study leverages an original survey with 7,439 enrollees in Chicago's municipal identification program to understand the relationship between access to formal identification and democratic participation

Role: Co-PI

**CSRPC Award**                      **Ybarra (PI)**                      **09/01/2018-09/01/2019**

Center for the Study of Race, Politics and Culture                      \$7,000

University of Chicago

Right to the City: Can Municipal Identification Unlock the Door to Urban Democracy in Chicago

This study leverages an original survey with 7,439 enrollees in Chicago's municipal identification program to understand the relationship between access to formal identification and democratic participation

**Junior Faculty Award**                      **Ybarra (PI)**                      **09/01/2017-09/01/2018**

SSA Junior Faculty Award                      \$5,000

Caseworker perspectives on assisting community college students with navigating institutional obstacles

This study leveraged interviews with caseworkers who deliver services to community college students in support of completion of associate degrees. The study illustrates the promise and challenges of offering caseworker support to enhance post-secondary educational outcomes and the role of institutional barriers.

**LEO Award**                      **Ybarra (PI)**                      **09/01/2016-09/01/2017**

Lab for Economic Opportunities                      \$23,000

The Morgridge Foundation

Qualitative evaluation of the Padua Pilot Study, Year 2

This study examines the second year of a randomized control trial case management intervention designed to improve earnings and work. The study draws on over 300 hours of observation and 42 interviews with caseworkers and administrators to illustrate implementation successes and challenges that facilitate or thwart outcomes of interest.

**LEO Award**                      **Ybarra (PI)**                      **09/01/2015-09/01/2016**

Lab for Economic Opportunities                      \$71,000

The Morgridge Foundation

Qualitative evaluation of the Padua Pilot Study, Year 1

This study examines the first year of a randomized control trial case management intervention designed to improve earnings and work. The study draws on over 150 hours of observation and 21 interviews with caseworkers and administrators to illustrate implementation successes and challenges that facilitate or thwart outcomes of interest.

**LEO Award                                  Ybarra (PI)                                  09/01/2015-06/30/2016**

Lab for Economic Opportunities                                  \$10,000

Stay the Course evaluation

This evaluation was designed to assess an implementation of a community college case management intervention to strengthen implementation of services provided to participants.

**Joint Research Award                          Hill (PI)                                  09/01/2014-09/30/2016**

University of Chicago                                  \$65,903

Chapin Hall Center for Children Joint Research Fund

How do low-income expectant mothers package work and safety net supports? Evidence from Illinois administrative data

This study leveraged administrative data (cash welfare, child care, Medicaid, food stamps) to examine program take-up among low-income women during the perinatal period.

Role: Co-PI

**Upjohn Award                                  Ybarra (PI)                                  09/01/2014-09/30/2015**

The W.E. Upjohn Institute                                  \$5,000

The effects of state workforce and safety net policies on maternity-leave job quitting among less-educated workers

This study examined the relationship between safety net generosity and the likelihood of low-income women quitting a job during the perinatal period.

**CHAS Award Ybarra (PI) 9/01/2014-06/30/2015**

The Center for Health Administration Studies \$10,000

Do state Medicaid and WIC rules influence maternity-leave job quitting by less-educated mothers? This study used Census Bureau data on maternity-leaves among women in the U.S. and safety net policy rules from the Urban Institute and the Kaiser Family Foundation.

**Silberman Award                                  Ybarra (PI)                                  09/01/2012-09/01/2014**

The Silberman Foundation                                  \$39,999

Child care arrangements and cognitive outcomes among children from Latino immigrant families. This study used the Los Angeles Families and Neighborhood Study (LA FANS) survey data to investigate the relationship between immigration status and use of formal and informal child care arrangements.

**Junior Faculty Award                                  Ybarra (PI)                                  09/01/2012-09/01/2013**

School of Social Service Administration                                  \$5,000

Welfare entry patterns and the Great Recession

This study examined welfare entry, work exemption status, and program and economic outcomes using Wisconsin administrative data.

**EINet Award****Ybarra (PI)****09/01/2012-09/01/2013**

Employment Instability Network

\$5,000

The impact of Paid Family Leave on poor new mothers' welfare use and employment patterns. This study used data from the Survey of Income and Program Participation (SIPP) to examine whether access to Paid Family Leave was associated with cash welfare use and employment patterns.
