

Curriculum Vitae

1) Date of preparation: January 14, 2024

2) Personal data:

Tawandra L. Rowell-Cunsolo, PhD, MA, BA

University of Wisconsin-Madison

Sandra Rosenbaum School of Social Work

1350 University Avenue

Madison, WI 53706

E-mail: rowellcunsol@wisc.edu

3) ACADEMIC APPOINTMENTS AND OTHER WORK EXPERIENCE

<u>Position</u>	<u>Institution, Location</u>	<u>Years</u>
Case Manager	Juvenile Justice Center/Madison Center for Children, South Bend, IN	1999
Research Associate	Joint Center for Political and Economic Studies, Office of Research, Washington, DC	2001-2003
Research Assistant	Center for Mental Health Services & Criminal Justice Research, University of Pennsylvania, Philadelphia, PA	2003-2004
Research Assistant	Center for Addiction Studies, University of Pennsylvania, Philadelphia, PA	2004
Research Assistant	Center for Health Equity Research, University of Pennsylvania, Philadelphia, PA	2004-2008
Assistant Professor of Social Welfare Science	Columbia University School of Nursing, New York, NY	2013-2020
Assistant Professor	University of Wisconsin-Madison School of Social Work, Madison, WI	2020-present
Faculty Affiliate	Institute for Research on Poverty University of Wisconsin-Madison	2020-present
Faculty Affiliate	Center for Demography & Health University of Wisconsin-Madison	2022-present

4) EDUCATION

<u>Month & Year</u>	<u>Institution & Location</u>	<u>Degree</u>	<u>Major Subject</u>
12/1998	Purdue University, West Lafayette, IN	BA	Law & Society and African-American Studies
5/2001	Rutgers University, Newark, NJ	MA	Criminal Justice
8/2009	University of Pennsylvania,	PhD	Social Welfare

Philadelphia, PA

Dissertation: The Impact of Drugs on the Sexual Behavior of African-American Male Inmates,
2009 Sponsor: Jeffrey Draine, PhD

5) TRAINING

Postdoctoral Fellow, HIV Center for Clinical & Behavioral Studies at Columbia University and
New York State Psychiatric Institute, Behavioral Sciences Research in HIV Infection,
8/2009-7/2012

6) HONORS AND AWARDS

<u>Date</u>	<u>Award</u>	<u>Institution/Organization</u>
1994-1996	Multicultural Scholarship	Western Colorado State University
1997,1998	Academic & Service Award	Purdue University Black Caucus of Faculty & Staff
1998	Golden Key International Honor Society	Purdue University
1999-2000	Rutgers University Fellowship	Rutgers University School of Criminal Justice
2000-2001	Rutgers University Assistantship	Rutgers University School of Criminal Justice
2005	Primm-Singleton Minority Travel Award	College on Problems of Drug Dependence
2005	Health Disparities Conference Travel Award	National Institutes on Drug Abuse
2003-2008	Fontaine Fellowship	University of Pennsylvania Fontaine Society
2009	Student Travel Award	Social Computing, Behavioral Modeling and Prediction Conference
2015, 2019	Participant, RWJF Symposium	Robert Wood Johnson Foundation
2016	Health Disparities Research Institute Participant	National Institute on Minority Health Disparities
2019	Participant	New York City Department of Health and Mental Hygiene Health Data for New York City (HD4NYC)
2019-2021	Fellow	PRogram to Increase Diversity Among Individuals Engaged in Health-Related Research (PRIDE) – Cardiovascular Disease (CVD); State University of New York (SUNY) -Downstate/National Heart, Lung, & Blood Institute
2022	Recipient	Rosalind Franklin Society/Mary Ann Liebert Award in Science

I. RESEARCH

A. PUBLICATIONS AND OTHER SCHOLARSHIP

Peer-reviewed publications

[NOTE: * indicates graduate student co-author]

Blanford, C.*, & **Rowell-Cunsolo, T. L.** (in press). How social workers can be deployed to assist with the ongoing opioid epidemic. *Health & Social Work*.

Yilin, D.*, Bellerose, M.*, Borbely, C.*, & **Rowell-Cunsolo, T. L.** (in press). Assessing the relationship between drug use initiation age and ethnic and racial characteristics. Submitted to *Journal of Ethnicity in Substance Abuse*.

Stonbraker, S., Sanabria, G., Rael, C., George, M., Amesty, S., **Rowell-Cunsolo, T.**, et al. (in press). Supporting communication: A pilot test of information visualizations to facilitate patient education among Latino persons living with HIV. Submitted to *Journal of the American Medical Informatics Association*.

Rowell-Cunsolo, T.L.; Bellerose, M.*; & Borbely, C.* (2023; Epub ahead of print). Exposure to parental incarceration and subsequent drug use: A literature review. *Children & Society*.

Haile, R., **Rowell-Cunsolo, T. L.**, Hyacinthe, F.*, Alang, S. (2023; Epub ahead of print). A systematic review and synthesis of the direct and indirect health consequences of police violence. *Social Science & Medicine*.

Voigt, N.*, Liu, J., **Rowell-Cunsolo, T. L.**, Schnall, R., & Poghosyan, L. (2023). The role of environment on physical activity patterns of older adults living with HIV. *Journal of the Association of Nurses in AIDS Care*, 34, 31-44.

Rowell-Cunsolo, T. L., Britton, A.*, Blanford, C.*, & Yilin, D.* (2023). Addressing treatment outcomes and substance use among formerly incarcerated individuals living with HIV. *Research on Social Work Practice*, 33, 325–337.

B. RESEARCH PROJECTS AND GRANTS

Mathematica Policy Research, Inc, Washington, DC., Rowell (PI) 5/2005-8/2005

The Characteristics of Incarcerated African American Male Sexual Assault Victims and Aggressors Study.

This study piloted a questionnaire designed to examine prison sexual assault among incarcerated Black men.

Role: PI/80%

Total budget: \$6,500

R36 DA024213 Rowell (PI) 1/2008-12/2009

National Institute on Drug Abuse

The Impact of Drugs on the Sexual Behavior of African American Male Inmates.

This study examined the nature of sexual behavior among African American males in prisons, and the extent to which drug abuse prior to incarceration and within prison is associated with it.

Role: PI/100%

\$47,560 (direct) / \$3,805(indirect)

Total budget: \$51,365

L60 MD005429 Rowell (PI) 8/2010-7/2012

National Institute on Minority Health and Health Disparities, National Institutes of Health Loan Repayment Program

HIV Risk-related Behaviors of Formerly Incarcerated African-American Men.

This study was designed to further develop my qualitative and quantitative research skills, advancing theories that focus on the intersections among drug use, risky sexual behavior, and HIV transmission.

Role: PI

Total budget: \$28,560

1R01HS019853 Bakken (PI) 1/2013-9/2013

Agency for Healthcare Research and Quality

Washington Heights/Inwood Informatics Infrastructure for Community-Centered Comparative Effectiveness Research Study.

This study is designed to develop a research data warehouse to support various types of research to improve the prevention, diagnosis and treatment of illness, and the promotion of health in Washington Heights/Inwood, New York City.

Role: Co-I/20%

Total budget: \$8,731,724

Rowell (PI) 6/2013-6/2014

Columbia University Office of the Vice Provost for Academic Planning, Columbia University Provost's Grants Program For Junior Faculty Who Contribute to the Diversity Goals of the University

Seeking and testing the feasibility of a novel approach to reduce HIV/AIDS among vulnerable populations.

This study examines correlates of expressed concern for HIV/AIDS, and the feasibility and acceptability of rapid HIV testing and post-test risk reduction counseling among vulnerable populations.

Role: PI

Total budget: \$25,000

K01DA036411 Rowell-Cunsolo (PI) 7/2013-12/2018

National Institute on Drug Abuse

Contextualizing & responding to HIV risk behaviors among Black drug offenders

The goal of this study is to collect formative data that will be used to adapt and test an evidence-based HIV risk reduction intervention into a group-based intervention that is culturally sensitive and responsive to the needs of formerly incarcerated Black drug offenders.

Role: PI

Total budget: \$739,000

R25MH080665 El-Bassel (PI) 2018

National Institute of Mental Health

Addressing HIV risk among formerly incarcerated individuals

This study findings will be used to inform and develop an HIV risk reduction intervention to meet the needs of formerly HIV-positive and HIV-negative individuals.

Role: Scholar/Pilot Study Principal Investigator

Total budget: \$17,700

L60 MD005429 Rowell-Cunsolo (PI) 8/2014-7/2016

National Institute on Minority Health and Health Disparities, National Institutes of Health Loan Repayment Program

Addressing HIV risk among vulnerable populations: The importance of context.

This study was designed to further develop my qualitative and quantitative research skills, advancing theories that focus on the intersections among drug use, risky sexual behavior, and HIV transmission.

Role: PI

Total budget: \$22,583

5P30NR016587-03 Bakken & Hickey (MPI) 6/2018-5/2021

Precision in Symptom Self-Management (PRISSM) Center

National Institute of Nursing Research

The goal of the Precision in Symptom Self-Management (PriSSM) Center is to advance the science of symptom self-management for Latinos through a social ecological lens that takes into account variability in individual, interpersonal, organizational, and environmental factors across the life course.

Role: Pilot Projects Core Co-I/5%

Total budget: \$2,500,000

Rowell-Cunsolo (PI) 7/2019-7/2020

Columbia University School of Nursing Pilot Intramural Program

Exploring barriers to substance use screening among formerly incarcerated individuals in New York City

The purpose of this study is to better understand the substance use screening and placement process among drug-using formerly incarcerated individuals in New York City.

Role: PI

Total budget: \$9,950

5R25HL105446

Boutjdir (PI) 11/2019-12/2020

National Heart, Lung, & Blood Institute

Constructing a hypertension continuum of care for HIV-infected formerly incarcerated Black men

Data from this study will be used to construct a hypertension continuum of care for HIV-infected formerly incarcerated individuals.

Role: PI of Pilot Study

Total budget: \$11,000

Robert Wood Johnson Foundation, Interdisciplinary Research Leaders Rowell-Cunsolo (PI); along with R Haile and A. Pierre 09/2020-08/2023

Understanding and Responding to the Determinants of Weathering in Central Brooklyn Black Youth Ages 18 to 24

This is a mixed-methods study examines the impact of paternal incarceration on children's health in Brooklyn, NY.

Total budget: \$359,000

RX Foundation. Rowell-Cunsolo (PI); along with R Haile and A. Pierre

Carceral state and health inequities

This is a study that examine the relationship between the carceral system and health inequities.

Total budget: \$12,000

Meyer (PI) 10/2020-9/2022

Wisconsin Department of Children and Families

Substance use and child support noncompliance

This is a study that will assess the impact substance use treatment utilization on child support noncompliance in Wisconsin.

Role: PI of subcontract

Total budget: \$211,361

Rowell-Cunsolo (PI) 07/01/2022-06/30/2023

The University of Wisconsin-Madison

Office of the Vice Chancellor for Research and Graduate Education

Documenting health impacts of exposure to incarceration among Black men and their families in Brooklyn, New York

This study will enable us to perform qualitative data analysis to learn more about how incarceration impacts Black people in Central Brooklyn.

Total budget: \$41,000

R01DA055120 Rowell-Cunsolo (PI) 8/2022-7/2027

National Institute on Drug Abuse

Examining predictors of substance use and treatment adequacy among formerly incarcerated opioid and cocaine users

The goal of this study is to examine substance use trajectories and treatment adequacy among opioid and cocaine users who recently experienced incarceration.

Role: PI

Total budget: \$ 3,092,095

Rowell-Cunsolo (PI) 07/01/2022-06/30/2023

The University of Wisconsin-Madison

Office of the Vice Chancellor for Research and Graduate Education

Identifying substance use treatment gaps among formerly incarcerated individuals

The primary goal of this study is to code and analyze unstructured data from the American Society of Addiction Medicine Patient Placement Criteria (ASAM-PPC) administered to formerly incarcerated individuals who use opioids and cocaine.

Total budget: \$43,924

Rowell-Cunsolo (PI) 07/01/2023-06/30/2024

The University of Wisconsin-Madison

Office of the Vice Chancellor for Research and Graduate Education

Identifying health impacts of legal system exposure

The primary goal of this study is to identify the relationship between exposure to the legal system and negative health outcomes among Wisconsin Medicaid beneficiaries.

Total budget: \$47,121

II. TEACHING

2014-2018	Rahma Mkuu, MPH Student, Mailman School of Public Health
2017	Amber Britton, MPH Student, Columbia University Mailman School of Public Health
2017	Matthew Cato, MPH Student, Columbia University Mailman School of Public Health
2017	Andrew Xiao, MPH Student, Columbia University Mailman School of Public Health
2016	Vraj Vraj Kumar Parikh, MPH Student, Long Island University
2015-2016	Yue Long, MS Student, Columbia University Quantitative Methods for the Social Sciences
2015	Zeinab Farhat, MPH Student, Long Island University
2014-2016	Stephen A. Sampong, MPH Student, Mailman School of Public Health

2014-2015 Caroline Lee, MS Student, Columbia University Quantitative Methods for the
Social Sciences
2014 Amanda Mavraj, MPH Student, Long Island University

III. SERVICE

A. PUBLIC, UNIVERSITY, AND PROFESSIONAL SERVICE

University Service:

Rutgers University

Diversity Committee Member, Rutgers University School of Criminal Justice, 2000-2001

University of Pennsylvania

Fontaine Society Conference Committee Member, University of Pennsylvania, 2004
Member

Columbia University

Diversity Committee Member, Columbia University School of Nursing, 2013-2020
Co-Chair, Subcommittee on Curriculum and Faculty Diversity, 2013-2014

Robert Wood Johnson Foundation New Careers in Nursing Mentor, 2013-2014

Training in Interdisciplinary Research to Prevent Infections (TIRI) program Mentor, 2013-2014

Justice Working Group Member, Columbia University, 2013-2020

Columbia University Medical Center CTSA Intramural Research Pilot Initiative Grant Reviewer,
2014

The Irving Institute for Clinical and Translational Research, Columbia University Medical
Center, Pilot and Collaborative Studies Resource, Irving Institute for Clinical and Translational
Research, Grant Reviewer, 2017-2020

University of Wisconsin-Madison

Faculty Search Committee, 2022-2023

Diversity Committee, 2020-2021

Interprofessional Education Committee, 2020-2021

UW-Madison Campus Climate Survey Task Force, 2022

U.W. Primary Care Research Fellowship Mentor, 2022-2023

Professional Service:

NIH Student Sections: NIH Panel PAR-22-233: Time-Sensitive Opportunities for Health Research; Healthcare and Health Disparities

Grant Reviewer, U.S. Department of Justice Office of Community Oriented Policing Services (COPS), Value-Based Initiatives Grants, 2001

Project Women on the Road to Health and Recovery (WORTH), Community Advisory Board Member, 2010-2013

Grant Reviewer, Swiss National Science Foundation, 2020

Grant Reviewer, UW-Madison AHEAD Pilot Awards, 2021

Ad Hoc Journal Reviewer:

AIDS & Behavior; American Journal of Men's Health; Culture, Health, & Sexuality; Drug & Alcohol Dependence; Health Affairs; International Journal of Mental Health and Addiction; International Journal of STD & AIDS; Journal of the American Medical Informatics Association; Journal of Black Psychology; Journal of Correctional Health Care; Journal of Healthcare for the Poor and Underserved; Journal of Offender Rehabilitation; Journal of Substance Abuse Treatment; Journal of Substance Use; Journal of Western Black Studies; PLOS One; Substance Use & Misuse

Professional Organizations and Societies

<u>Dates</u>	<u>Organization</u>	<u>Level of Participation</u>
