PLEASE NOTE: Contact the UW-Madison Office of Student Financial Aid for information on financial aid and how to apply. A Part-Time MSW student must carry a minimum of four (4) credits and no more than seven (7) credits during fall and spring semesters to be eligible to apply for aid. For the summer semester, the minimum is calculated depending on course load and how many weeks a course is held. You are encouraged to consider your entire academic credit load for a full year when considering a financial aid award. Students should make sure they have enough financial aid to cover summer classes. We strongly recommend students talk to the Office of Student Financial Aid to create a financial aid plan that will meet your needs. If you are a veteran or a spouse or child of a veteran, please contact the Veterans' Services for information on benefits as a Part-Time MSW student.
